

GREAT LAKES SECTION

BARBARA EMERSON ADAMS, VICE PRESIDENT

April 19, 2013

Dear GLS Members,

As Vice President of the Great Lakes Section, I was most pleased with the number of GLS Unit and club ads in the Spring National Souvenir Journal. Thanks for your Unit's and Club's support of the ABA. Also, their attendance at the Memorial Service, New Players Reception, Charitable Foundation's Jazz Gala, the Membership Meeting, the Awards Presentation Lunch, and of course playing Bridge. I trust everyone there had fun and most of all won a lot of points.

Dayton Duplicate Bridge Club will host a Grade "A" May 24 – 25, 2013 at their clubhouse, 1228 Germantown Street, Dayton, OH, Telephone: 937-223-9911. Check the Great Lakes web-site tournament trail for the schedule. It is **very important** that your Unit/club Section Representative attend our **Section Representative Meeting** to be held Friday May 24th following the 11:30 AM Open Pair One Session game.

Sanction game requests for 2014 should be sent to me on or before June 24, 2013. **Do not** request sanctions for dates of the Spring or Summer National, the eight (8) Sectionals, or a Great Lakes Grade "A". Your continued cooperation is appreciated.

The ABA is still alive on BBO, Sylvia requests that we have at least one table from each Section. However, I would like to have at least one table from each Great Lakes City. Please contact Sylvia Christian at schrist22@aol.com. There is a partnership desk so you don't have to have a partner to start.

Remember our sick and shut-in friends with calls, cards, visits and prayer. Love is healing.

Sincerely,

Barbara Emerson Adams, GLS, V. P.
